Why Brity Drive?

Company J: Convenient File Sharing

Used Solution: Brity Drive + Brity Messenger

Sharing files between HQ and Branch

HQ Marketing Manager

Create a standard marketing templates and upload them to the Workgroup folder, send the document link through messenger

Branch Marketing Manager

Check the template in the **Workgroup folder**, and update the promotion of each branch to the template

Effect

· Efficient document collaboration

Utilizing Workgroups folder to share the latest documents in real-time with all relevant department personnel.

Granting document access rights for each user according to the business situation and purpose.

· Improving communication speed

Share document links via messenger to provide convenient access to documents.

Time is saved compared to sending large size emails, and files can be quickly shared only by providing links.
